

Appl. No. not yet assigned

Preliminary Amdt. Dated December 1, 2005

Supply Unit for Power and Water Based on Renewable Energy

**Remarks**

In the specification, the paragraphs numbered [0020] and [0021] have been amended to correct translation errors. The scope of the disclosure is not altered. Claim 2 has been amended accordingly. Examination and allowance are requested.

Respectfully submitted,

Date: December 1, 2005
